# IPNE Book Awards — Categories

On entry form, please include category number as well as name. You may enter a book in more than one category, with a \$25 fee for each additional category. With the exception of the Perennial Sellers category, all books must carry a publication date of 2014, 2015, or 2016.

## Subject Categories

Books entered in these categories must have publication dates in 2014, 2015, or 2016. Judges may establish additional categories if merited by the numbers of entries.

1. LITERARY FICTION does not fit into traditional genres/formulas.
2. GENRE FICTION, e.g., mystery, romance, science fiction, fantasy, inspirational, etc.
3. CHILDREN'S BOOKS, e.g., picture books, early readers
4. YOUNG ADULT
5. GRAPHIC NOVELS
6. NARRATIVE NONFICTION, e.g., biography, memoir, nonfiction that tells a story.
7. INFORMATIONAL NONFICTION e.g., directories, travel guides, how-to, self-help, reference, any book that primarily serves as an informational resource.
8. POETRY
9. COFFEE TABLE AND ART BOOKS

## Additional Categories

10. E-BOOKS, published as e-books only, or for which the e-book has features not present in a paper version. Please submit file on disk, or, if that is not practical, instructions to download a review copy
11. PERENNIAL SELLER. Books published before 2014, but which continue as front-list, still actively promoted and sold.
12. DESIGN. Both cover and interior will be evaluated.
13. BOOK PROMOTIONAL CAMPAIGNS. In addition to the book itself, describe the promotional campaign. Include any relevant flyers and other literature, descriptions of author activities, resulting reviews, and other indications of success. The key is what has been done to reach the specific audience for the book—even if that does not translate to large sales numbers.
